DECLARATION

ok
We, Todd Coons, residing in Casa Grande, Arizona; and Edward F.
Pietraszkiewicz, residing in Southington, Connecticut, and are all citizens of the
United States of America declare:

That we made and conceived the invention described and claimed in patent
application Serial Number 10/743,516, filed in the United States of America on
December 22, 2003, entitled COOLED VANE CLUSTER;

That we made and conceived this invention while employed by Pratt &
Whitney;

That the invention is related to the work we are employed to perform and was
made within the scope of our employment duties;

That the invention was made during working hours and with the use of
facilities, equipment, materials, funds, information and services of Pratt & Whitney;

That to the best of our knowledge and belief, the invention was not made
(conceived or first actually reduced to practice) under, nor is there any relationship of
the invention to the performance of any work under, any contract of the National
Aeronautics and Space Administration;

The undersigned inventors declare further that all statements made herein of their knowledge are true and that all statements made on information and belief are believed to be true and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
